Re: Elizabeth E. Jun v. Viking Client Services, Inc., et al.
Case No.: 2:15-cv-08821-MCA-LDW

Dear Judge Arleo:

I represent the Plaintiff Elizabeth E. Jun and I write to inform the Court that the parties have agreed to a settlement which requires subsequent performance. When the terms of the written settlement agreement have been finalized and fully performed, the parties will file a Rule 41(a) stipulation of dismissal with prejudice.

At this time, I request the entry of a “60-Day Order” dismissing the action without prejudice but permitting a party to vacate the order and move to enforce the settlement within 60 days.

Thank you for Your Honor’s time and courtesies in this matter.

Very truly yours,

s/ Yongmoon Kim
